

Project: Oberon Court

Location: Hobart Tasmania, Tasmania

Principal: Oberon Developments Pty Ltd

Project Scope: A 10 lot subdivision above Proctors Rd with an incredibly challenging environment, working around a cliff face and on steep slippery terrain. Over 350 mass blocks and 750m³ of no fines concrete was used in the construction of the retaining wall.

Contract Value: \$3.0M

Year Finished: 2022

Duration: 15 months

Project Manager: Cameron Gibson

Project Supervisor:

Contract Type: Lump Sum Construct Only AS2124

Unique Compliance: Multiple additional controls were required to ensure protection of the public travelling on Proctors Rd and to allow for safe construction.
